Creating Client Value

As an ASC Board member and the unofficial tournament director, I wanted to invite you to participate in this fall's ASC Golf Outing.

The Golf Club at Stonelick Hills is a wonderful facility. Routed through heavily forested hills and over and around numerous ponds and lakes, we'll be playing off of the Gold Tees (6,817 yards, 72.6 rating and 131 slope). If you want a sneak peak, go to www.stonelickhills.com.

Thanks to our friends at Orr & Boss, who are sponsors of this event, you will have an opportunity to win great prizes and network at a backyard cookout before heading back to the Cincinnati Marriott.

Bring your customers, partner with your business colleagues, or just come out to meet some of your ASC friends. I promise two things: a beautifully designed, challenging golf course and a fun and relaxing networking event.

We are looking forward to seeing you at Stonelick!

Best,

Rusty Thompson

Guest Information

If you are visiting the Stonelick Hills for the first time, there are a few things you should know to ensure an enjoyable round of golf for all.

Transportation

The drive from the hotel to the golf course is approximately 45 minutes. Transportation **will not be provided** to and from the course. Taxis are available from the hotel.

Check In

Once you have arrived, please proceed to the Golf Shop counter to check in. You will be given a receipt to give to the starter prior to beginning your round. An attendant will confirm your time and place your bag(s) on a golf cart.

Attire

Proper attire for the golf course and the clubhouse consists of a collared shirt and appropriate shorts or pants. **Non metal spikes are required.**

Golf Club Rentals

For your playing convenience, the Club carries a limited supply of rental clubs. Rental sets may be reserved in advance by telephoning the Golf Shop at (513) 735-4653.

The Practice Facility at The Golf Club at Stonelick Hills is a state-of-the-art complex that includes everything you need to remain on top of your game:

- A full 1-½ acres of beautiful bent grass tee space.
- Eight target greens of varying distance to challenge your control.
- A large-sized chipping green surrounded by both bent grass fairway and bluegrass rough, just like you will find on the golf course.
- A greenside bunker that will allow you to master your sand play.
- A practice bunker that allows you to hit a “fairway bunker” shot out toward the eight target greens.
- There are even a few hitting stations set up in the bluegrass rough, but *no one* hits it in the rough...right?

In addition, there is a large putting only green located near 1st tee. You can easily see that for any shot that you may encounter on the golf course, you can practice it at The Golf Club at Stonelick Hills.

You are asked to check in with the starter at least 15 minutes prior to your starting time. This will ensure that a Stonelick Hills staff member has an opportunity to familiarize you with the hole placements, cart rules of the day, and any other information that may be pertinent to your golf course experience.

Repairing Divots

There are two methods used to repair divots. If there is a piece of turf that is removed intact, the piece of turf can be carefully replaced in the divot scar and pressed firmly in place with your shoe. This is like a little piece of sod that will take root and disappear in a matter of days.

Replacing the piece of turf is the preferred method for repairing a divot. However, if there is no discernible piece of turf left after the shot, please use the sand and seed mixture provided on each cart to fill and level the divot scar.

Repairing Ball Marks

Repairing ball marks immediately has proven to result in healing the damaged turf in a matter of hours. Ball marks that go immediately unrepaired will take as long as two weeks to grow back together and disappear. In addition, the next group of players will appreciate the smooth, unblemished playing surface when ball marks are repaired properly.

Stonelick Hills Backyard Cookout

After a "tough" day of golfing, you are invited to a backyard cookout courtesy of Orr & Boss. Relax, swap golfing stories and brag about course triumphs, and enjoy good food and new friends. Hamburgers, hot dogs, and all the fixings will be provided. It's a great way to end a fun event.
