About the ASC 2007 Spring Convention

ASC's Spring Convention will feature a dynamic two-and-a-half day conference program, networking events, and the industry's largest exposition of raw materials, equipment and service providers.

About ASC

The Adhesive and Sealant Council (ASC) is a North American trade association dedicated to representing the adhesive and sealant industry. Incorporated in 1958, ASC is bound by the collective efforts of its members, and strives to improve the industry-operating environment and strengthen its member companies. Today, ASC members account for more than 75% of the aggregate industry revenues, exceeding some \$6 billion annually. The Council is comprised of 120 adhesives and sealants manufacturers, raw material and equipment suppliers, and industry consultants.
