

## Table of Contents

### **Consumer and Commercial Products - EPA Update 2007**

Moore, Bruce, *U. S. Environmental Protection Agency*

### **Update on the VOC Exemption of tert-Butyl Acetate (TBAC) and Overview of its Potential Uses in Low-VOC, Solvent-based Adhesives and Sealants**

Pourreau, Daniel, *Lyondell Chemical Company*

### **High MW, High Diblock SBS Polymer for Adhesives**

St. Clair, David, *Kraton Polymers U.S., LLC*

### **High Productivity 2-Component Polyurea Sealants: Adjustable Reactivity with Aspartic Ester Amines**

Johnston, Jay, *Bayer MaterialScience LLC*

### **Expanding the Property Portfolio of Hot Melt Adhesives Using Polybutene-1**

Doordan, Martin, *Basell USA, Inc.*

### **The New Silanes for LOV Adhesives & Sealants**

Huang, Misty, *Momentive Performance Materials*

### **Joining of Medical Plastics Using Atmospheric Discharge Pretreatments of Adherents Prior to Adhesive Bonding**

Wolf, Rory, *Enercon Industries Corporation*

### **Engineered Additives: Using Meta Materials for Improved Properties and Cost Control - Expanding Your Tool Box**

Petrich, William, *Western Resource Management Inc.*

### **An Alternative Treatment of the Comyn Permeation Model for Explaining the Cure Mechanism of Moisture-reactive Adhesives and Sealants GVG, LDL, TBL**

Lower, Loren, *Dow Corning Corporation*

### **Innovations in Roofing Applications**

Lyons, James, *Newport Partners LLC*

### **Adhesives in the UK – Issues and Opportunities**

Cornelius, Ian, *Apollo Chemicals Ltd.*

### **Adhesives and Sealants: Opportunities in India**

Savla, Manilal, *Savla Associates*

### **Market Update for the U.S. and Eastern Europe**

Nick, Dave, *DPNA International*

**Leveraging Your Supply Chain for Competitive Advantage**

Detiveaux, Scott, *Orr & Boss Inc.*

Bohn, Doug, *Orr & Boss Inc.*

Reid, Kevin, *Orr & Boss Inc.*

**Effective Business to Business Direct Marketing**

Mottram, Daniel, *Lohnpack Contract Filling*

**Sealant Tools - An Unexplored Marketing Potential?**

Seagrave, Jayne, *Vancouver Tool Corporation*

**Executing Six Sigma Projects for Sealants - Locally and Globally**

Anderson, Kurt, *Dow Corning Corporation*

**The Green Trend in the Sealant and Adhesive Market**

Huang, Lan, *DAP Products Inc.*

Nabar, Shree, *DAP Products Inc.*

**Green Globes™ Building Assessment**

Rossolo, Mark, *Green Building Initiative*

**Black Mold: Legal Issues and Regulatory Developments**

Abrams, Adele, *Law Office of Adele Abrams P.C.*

**Progress Toward a New Test Method for Sealant Durability**

White, Christopher, *National Institute of Standards and Technology*

**Comparative Properties of Silylated Polyurethane, Silicone and Non-Silicone Pressure Sensitive Adhesives**

Griswold, Roy, *Momentive Performance Materials*

**A New Poly-Ether-based PSA**

Ueda, Kazuhiko, *Kaneka Corporation Japan*

**Print-Applied UV-Curable Pressure Sensitive Adhesive for Industrial Graphics Requiring High Temperature and Chemical Resistance**

Warmkessel, Jeffrey, *Ashland Performance Materials*

**A Novel Wetting Agent for Pressure Sensitive Adhesives**

Vanzin, David, *Cytec Industries Inc.*

Majmudar, Shailesh, *Cytec Industries Inc.*

**Enhanced Substrate Wetting and Peel Strength of Aqueous Pressure Sensitive Adhesives**

Belding, Sheila, *Troy Corporation*

**Plasticizers Offer Improved Performance in Polyurethane Sealants**

Whitson, Russell, *Eastman Chemical Company*

**Determining Ultra-fast Kinetics of Adhesive Reactions Using mid-IR and NIR**

Briggs, Jenni, *Aspectrics, Inc.*

**Formulation Additives to Enhance the Performance of PVAc and VAE Emulsions**  
Funderburg, Michael, *Eastman Chemical Company*

**Using Rheology to Formulate Structurally Sound Sealants in Their Pre- and Post-Cured States**  
Rolfe, Philip, *Malvern Instruments, Inc.*

**Working with BioPreferred: Opportunities and Challenges**  
Devlin, Steven, *Center for Research & Service, Iowa State University*  
Duncan, Marvin, *USDA Office of Energy Policy and New Uses*

**BASF Near-Zero Energy Home**  
Armstrong, Jack, *BASF Corporation*

**The Viscosity and Rheology of Interacting Colloidally Stabilized Emulsion Particles: What Einstein's Theory on Viscosity left behind.**  
Horwat, David, *Air Products and Chemicals, Inc.*

**Adhesion Promotion with Honeywell Maleated Polyolefins for Adhesives and Sealants**  
Merrill, Natalie, *Honeywell International*

**Simulation of the Aging of Adhesives**  
Schwotzer, Willi, *Collano AG*  
Ferrand, Damien, *Collano AG*  
Käser, Fabian, *Collano AG*  
Roduit, Bertrand, *Collano AG*

**Reduction of VOCs and Elimination of Formaldehyde in Water-Based Polymers by Changes in the Starter System**  
Robben, Uwe, *Brueggemann Chemical*

**Thermoplastic Polyolefin Additives for Hot Melt Adhesives**  
Rotz, Steven, *Honeywell International*

**Achieving Regulatory Compliance and Operational Efficiency with Integrated ERP Software**  
Deakins, Jay, *Deacom, Inc.*

**Specifying Process Control - The Questions You Don't Ask Could be Costing You Money! Where to Spend and Where to Save in Your Process Automation**  
Lanham, Rob, *Charles Ross & Son Company*

**The Sales Process and How to Properly Align It with Corporate Strategy**  
Jones, Richard, *The ChemQuest Group, Inc.*

**Best Practices: Disaster Recovery**  
O'Donnell, Sean, *DATA COR, Inc.*

**The following speakers/presenters have either requested that their presentations not be included on the official Convention CD ROM or were unavailable at print time:**

**Specifying Adhesives for Green Projects**

Ahuja, Vik, *Air Quality Sciences, Inc.*

**Update on CARB and Current Regulations Affecting the Adhesive and Sealant Industry**

Collatz, Mark, *The Adhesive & Sealant Council*

**Evaluating Adhesives to Augment Nails in Wind Uplift Resistance of Roofs**

Dillard, David, *Macromolecules & Interfaces Institute at Virginia Tech*

**Soy-based Adhesives**

Cafmeyer, Jeff, *Battelle Memorial Institute*

**Silicones: Advantages, Applications and Adaptability**

Carter, Christopher, *Momentive Performance Materials*

Bull, Errol, *Momentive Performance Materials*

**Adhesives: Advances in Green Chemistry**

Young, Jennifer, *American Chemical Society, Green Chemistry Institute*

**The World of Adhesives and Sealants: Introduction to Applications, Technology and Properties**

Dunn, David, *FLD Enterprises*

**Differentiating Your Products in a Competitive Marketplace - Effectively Positioning Your Value**

Anderson, Scott, *Diamond Performance Group*

**Global Chemical Trends and Their Impact on Adhesive Raw Materials**

Brewer, Tom, *DeWitt & Company*

**Long-term Performance and Maintenance of Building Joint Seals**

Lacasse, Michael, *National Research Council Canada*

**The Copper House: Green to its Roots**

Luhan, Gregory, *University of Kentucky*

**Implications of the Soft Housing Market for Suppliers of Building Products**

Hudson, Ed, *National Association of Home Builders (NAHB) Research Center*
