

ASC'S NORTH AMERICAN ADHESIVES AND SEALANTS MARKET STUDY INCLUDES MACRO GLOBAL OVERVIEW

Geographic Focus: The Adhesive and Sealant Council's North American Adhesives and Sealants Market Study define the current marketplace, and provide a growth forecast on a three-year time horizon. The full report includes a macro assessment of Western Europe (with breakout data for Germany, Italy, U.K and France), the Far East (breakout data for Japan, China and India), Latin America (breakout data for Argentina, Brazil and Venezuela) and Rest of World (Central/Eastern Europe, Africa, Middle East and Oceania).

Industry Technology & Market Focus: For the first time, ASC's North American Market Report is harmonized with FEICA's European Market Report. Market data are organized similarly across adhesive and sealant technologies and end-use markets for your convenience.

Expanded Market Data for U.S.: Each report features expanded market information for the U.S. Market, including detailed market data for:

- Reactive (polymerizing) Adhesives – with additional data on epoxies, polyurethanes, polyester (unsaturated), radiation cure, reactive acrylics, and formaldehyde-based
- Transportation Adhesives – with additional data on passenger vehicle, trucks, bus, aerospace, rail and marine
- Sealants – with additional data on oil-base caulks, latex acrylics, polyvinyl acetates, solvent acrylics, butyl sealants, polysulfides, urethanes, silane modified polymers and silicones

ASIA MARKET REPORT

Geographic Focus: This report provides a focused look at key markets in the Far East/Asia Pacific region. The report provides market data for the following regions: Japan, China, India, South Korea, Taiwan, and Viet Nam, as well as data aggregated for "rest of Asia."

Industry Technology & Market Focus: Market data is harmonized with the definitions contained in both ASC's North American Market Report and FEICA's European Market Report. Market data are organized similarly across adhesive and sealant technologies and end-use markets for convenience.
